ODRŽIVA IZGRADNJA SUSTAINABLE CONSTRUCTION

HutchA je izrađena od prirodnih i kvalitetnih materijala, uz završnu obradu i premaze na prirodnoj bazi. Izolirana da vas štiti od hladnoće, vjetra i padalina jednostavno je rješenje za ugodan boravak u prirodi s minimalnim utjecajem na okoliš i prirodu tijekom cijele godine.

HutchA is made of natural and quality materials, with a finish and coatings on natural basis. Insulated to protect you from cold, wind and rainfall, it is a simple solution for a pleasant stay in nature throughout the year with minimal impact on the environment and nature.

HutchA vas spaja s prirodom velikim PANORAMSKIM PROZOROM, a svojom mobilnošću i dimenzijama omogućuje vam lako premještanje i kampiranje gdje vi to poželite.

HutchA connects you to nature with a large panoramic window. Its mobility and dimensions allow you to easily move and camp wherever you want.

SPOJ S PRIRODOM
CONNECTED TO NATURE

Bogatim izborom dodatne opreme, HutchA je osmišljena da bude lako prilagodljiva svim vašim željama i potrebama. Dimenzije: 7,50x4,50x6,00m ili 3,75x4,00x3,50m.

With a rich selection of accessories, HutchA is designed to be easily adapted to all your wishes and needs. Dimensions: 7,50x4,50x6,00m or 3,75x4,00x3,50m.
